Welcome to write the HSK7-9 exam in our 加拿大 GTA 汉语考试服务中心| GTA CHINESE LANGUAGE TEST CENTRE

The very first HSK7-9 exam will take place on November 26th, 2022 and you may participate in quite a few countries. It's a good start! We have collected the newest and most detailed information for you.

To make it clear: The HSK 7-9 exam is only one test: the result will determine whether you are certified HSK7, HSK8, or HSK9.

What does the HSK 7-9 Test look like?

HSK 7 – 9 exams have a total of 98 questions, and it takes approximately 210 minutes to complete.

The test is divided into five sections: listening, reading, writing, translation, and speaking. Each part focuses on one language skill, supplemented by other language skills. Each section is divided into 2 or 3 parts.

And for the translation part, you can choose the original source language from the following five languages: English, Vietnamese, Thai, Japanese and Korean, which you need to decide when you sign up.

The detailed body content and answer time are as follows:

Test structure	Part	Test content	Question type	Number of questions (Multiple voice / open questions)		Total
